

# ACQUERELLO

Conversano is an ancient, historic town southeast of Bari, Italy. It is also home to the Michelin starred restaurant, "Pasha in Conversano", where Chef Maria Cicorella and her son Antonello exquisitely meld old and new in their fusion of Apulian cuisine.

Acquerello is proud to welcome Chef Maria on Monday, November 12th 2018, and will open exclusively for this exploration of Apulian inspired dishes being celebrated during the 3rd Edition of "Settimana della Cucina Italiana nel Mondo"

Our collaborative Five-course menu will begin at 6:30 pm with a Reception and Dinner immediately following at 7:00 pm.
